DEPARTMENT OF THE INTERIOR,

Subject: UNITED STATES INDIAN SERVICE,
Circular No. 309.
Annual Census.

Pine Ridge Agency, So. Dak.,

July 23, 1909.
cu 317

Hon. Commissioner of Indian Affairs,
Washington, D. C.

Sir:

✓
Replying to Circular letter Land-Population, W H G,
No. 309 Annual Census, dated June 28, 1909, and Circular letter
Methods, T J K Jr., Circular No 317, dated July 13, in regard to
change of methods and field service, I would say that during the
past year there was inaugurated in this office a loose leaf
system of census of the Indians of this reservation. Each
family was placed upon a separate sheet and arranged in alphabet-
ical order, in regard to family heads. Upon each page, record
is kept of births, deaths, marriages and transfers. Under this
system it would only be possible to submit a census of the Indians
of this reservation, to your office, in accordance with your in-
structions of the above circular, by copying this loose leaf
census, which would necessitate a considerable amount of clerical
work, as it would require the entire time of one copyist two
weeks to make such a copy. The annuity roll on which annual
per capita payment is made each year, contains a complete census
of the Indians on each district and covers all the information
required in a census by your office.

-2-

I would respectfully recommend that we be allowed to dispense with the census called for in Circular 309, and that in place of it, you refer to the per capita annuity roll for a complete census as required. However, if you desire a copy of our loose leaf census, same will be furnished you upon instructions from you to that effect, but it will be impossible to furnish this census by the first of August, with my annual report, because the time is too limited, and the entire clerical force will be kept busy segregating the property return until the end of July, in accordance with instructions which have been received from your Office.

Very respectfully,

John R. Bruman
Supt. & Spl. Disb. Agent.

Circular No. 309.
Annual Census.

AUG -6 1909

John A. Brennan, Esq.,

FOR FILE

Superintendent Pine Ridge Indian School,
Pine Ridge, South Dakota.

Sir:

The Office is in receipt of your letter of July 23, 1909, replying to Circular, Land-Population, No. 309, Annual Census, and circular, Methods No. 317, and saying that during the past year there was inaugurated in your office a loose leaf system of census for the Indians of the reservation; that under this system it would only be possible to submit a census for the Indians of the reservation in accordance with circular 309, by copying this loose leaf census, which would necessitate a considerable amount of clerical work.

Under the circumstances, you suggest that the annuity roll on which an annual per capita payment is made will answer all the purposes of the special census report as it contains the names of all the Indians in each district and covers practically all the information required in the census report.

In view of your report, the Office is willing to accept for this year the latest annuity pay roll in place of the special

census report, and you will, therefore, not be called upon
to submit the report required in Circular 309.

Very respectfully,

(Signed) John Francis, Jr.

Acting Chief Clerk.
